Newsletter, January 2008

A belated welcome back after the festive season as well as a warm welcome to all our new children and their families that have recently joined us. Thank you to everybody for the generous gifts and warm wishes over Christmas that by now have all been eaten, drunk or put to an alternative good use – thank you.

Street dance & clubs

With Bianca still on her travels, Dan has stepped into the breach to offer street dance classes Monday afternoons for the most up to date moves! The classes are going down a treat so far and as ever, alternative activities are always on offer for those that don't wish to participate.

- Tennis continues on a Wednesdays at Endon High School until Easter when we move back to the tennis club.
- Gaz continues his active sports club Friday afternoons.

Breakfast

As our numbers have increased, we are looking to bring breakfast forward slightly to allow us to leave with sufficient time for school.

From the week commencing **28th January**, breakfast will run from **8am -8.20am** each morning and we request that if your child/ren require breakfast that they arrive within these times.

This means breakfast can remain a social time for the children and we have ample time to help the children with coats, bags etc before walking or ensuring the children are securely fastened into a vehicle. We appreciate your co-operation in this matter.

Change of venue on Wednesday 20th February

The scouts require the scout hall the afternoon of the 20th February. We will therefore be moving our after school club to Endon Village Hall for the afternoon. School collections will take place as normal and Matt will continue his tennis club at the High School. All children will need to be collected from the village hall please. Wednesday's breakfast club will run at the scout hall as normal.

Our very own website!

We now have a website up and running at www.endonkindergarten.co.uk. All our newsletters will also be uploaded to the website on the news page for your information. Whilst developing the site, we are also looking at ways to reduce our use of paper so if you are interested in accessing information through email, please let us know your email address.

A couple of reminders:

- Please continue to let us know of any changes to collections to avoid confusion or late departures from school.
- A 6.30pm collection is now available to all children – please let us know if you will be using a later collection just so we can ensure our staffing ratios are correct.
- As always, a months notice is required for any changes to your bookings at the fun club.

Half term

Bookings are now being taken for February half term running from Monday 11th to Friday 15th February. A detailed list of activities and trips to follow.
